Bowman Walker Construction
1417 Route 9 N
Cape may Court House, NJ 08210

Re: 18 Kendra Lane

Dear Bowman Walker (aka Jack, Bud, Lance and David Walker):

It is coming up on a year since we moved into our new property at Caramar. Our excitement has yet to wear off. It may be the solid feel of the post and beam construction, the beautiful atrium windows in the dining room, the solid cherry floors on the lower level or the floor to ceiling brickwork in the family room. Then again, it may be all those things and many others. The fits and finishes throughout the home are superb and we continue to discover new amenities each day. The central vacuum works better than any vacuum we've ever owned, the roll out spice racks are a real convenience and the wine cooler keeps our chardonnay at exactly the right temperature. I just learned the other day that the laundry tub has a built in washboard. Old is new again!

This is our third Bowman home. We think that alone is testament to our complete satisfaction with the quality of construction, amenities and service after the sale. We also feel that Bowman Walker Realty was a significant advantage to us in our purchase. We have purchased and sold a number of homes over the past thirty-five years, and not a one of them went as smooth and seamless as our Caramar sale and purchase transaction thanks to Bowman Walker Realty. That's saying a lot in these difficult economic times.

We regret not having gotten this communication to you sooner. Please do not hesitate to identify us as a ready reference at any time. Best of luck at Seagrove.

Very truly yours,

Jim & Elizabeth Resetar
